5 UNITED STATES OF AMERICA,

Case No.: 2:21-cr-00283-CDS-EJY

6 Plaintiff

7 v.

8 ADILENE CORONEL,

Order Denying Stipulation and Order to
Continue Motions Deadlines and Trial
Dates (Fourth Request)

9 Defendant.

[ECF No. 76]

10
11 The parties' filed a stipulation and order to continue motions deadlines and trial dates
12 asking that I move the trial date from November 14, 2022, to a date no sooner than 90- days. ECF
13 No. 76. The only reason the parties give for this request is that “[c]ounsel needs additional time
14 to review the discovery and conduct investigation in this case in order to determine whether
15 there are pretrial issues that must be litigated and whether the case will ultimately go to trial.”

16 *Id.*

17 I will not continue the trial date unless there is good cause to do so. Based solely on the
18 limited information contained in the stipulation, without details of the extent and volume of the
19 discovery, and the fact that the same information has been included in prior stipulations, I
20 cannot find good cause to continue. Therefore, the fourth request to continue motions deadlines
21 and trial dates is DENIED without prejudice.

22 DATED: October 19, 2022
